HIGHLIGHTS OF EXPERIENCE

Jonah Keates is a Geologist with Credere Associates, LLC. He holds a Bachelor of the Arts in Earth Science from Colby College (2026).

ENVIRONMENTAL SITE ASSESSMENTS

Mr. Keates' has assisted with, and is training to complete, all aspects of ASTM compliant Phase I Environmental Site Assessments.

ENVIRONMENTAL INVESTIGATION & GROUNDWATER MONITORING PROGRAMS

Mr. Keates has experience with soil sampling, waste characterization of soil and water, and field screening and sampling using peristaltic pumps, as well as soil sampling and characterization. This includes work at the following sites:

- 8-42 S Main St, Haverhill, MA
- Maine Water, Biddeford, ME

PREVIOUS EXPERIENCE

Colby College, Undergraduate Researcher Geomorphology Lab, Waterville, Maine, 2025-2026

Mr. Keates conducted fieldwork and performed sample analysis and data organization for several geomorphological projects. He performed aqueous and physical sample analysis using machines such as scanning electron microscopes, turbidity monitors, TOC analyzers and more. They also conducted a project to analyze and categorize the Sandy River to determine potential habitat conditions for Atlantic Salmon.
