- 30-Hour OSHA Construction Safety Course
- DoD OPSEC Awareness
- First Aid, CPR, and AED Training

EDUCATION

- B.S. in Environmental Science Lafayette College (2026)

HIGHLIGHTS OF EXPERIENCE

Elle Lansing is an Environmental Scientist with Credere Associates, LLC. She holds a Bachelor of Environmental Science and a minor in Geology from Lafayette College (2026).

ENVIRONMENTAL SITE ASSESSMENTS

Ms. Lansing's work includes all aspects of ASTM compliant Phase I Environmental Site Assessments, including historical research, site investigations, report preparation, GIS mapping, environmental media sampling, and hazardous building material assessment for both private clients and through U.S. EPA and state-funded Brownfields programs.

Projects include:

- 10 High Street, Topsfield, MA

ENVIRONMENTAL INVESTIGATION & GROUNDWATER MONITORING PROGRAMS

Lansing has experience with soil and groundwater sampling and is gaining experience in HBMS.

Projects include:

- 8-42 South Main Street, Haverhill, MA

PREVIOUS EXPERIENCE

Lafayette College Environmental Research, Friends of the Farm River & Estuary, North Branford, Connecticut, 2023-2025

Before joining Credere, Lansing gained firsthand field experience through undergraduate research focused on freshwater ecosystems along the Bushkill Creek in Easton, Pennsylvania. She also supported a local nonprofit in North Branford, Connecticut, working on stream remediation efforts. Through these experiences, she developed practical field skills and a strong understanding of environmental sampling and field-based environmental assessment.
